B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

We do not have a waiting list for the Housing Authority of the City of Moultrie. In fact we continue to experience difficulty keeping our units filled due to the influx of low low-income housing construction in our area.

Until we experience population growth that results in a waiting list we believe that we can best serve the community by directing our resources to maintaining and upgrading existing housing to remain competitive in the housing industry.
